

Child Safe Adult Code of Conduct

The Child Safe Adult Code of Conduct outlines appropriate standards of behaviour for all adults within the learning community environment towards students. It serves to protect students, reduce any opportunities for abuse, risk of harm or harm to students to occur, and promote child safety at the College. It provides guidance on how to best support students and how to avoid or better manage difficult situations.

It is Endeavour College's policy that any breach of the Child Safe Adult Code of Conduct is a child safety incident that must be reported internally. Any breach that meets the threshold for external reporting must also be reported to the relevant external authority.

For more information, refer to Procedures for Responding to and Reporting Child Safety Incidents or Concerns.

The Endeavour College Board has endorsed the Child Safe Adult Code of Conduct, and it is available on our public website. The College reviews the Code annually.
