

ENDEAVOUR COLLEGE EXPANSION - General FAQs

Q: What is the purpose of this project?

A: This project proposes expanding Endeavour College's offerings to include Reception to Year 6 education and developing a state-of-the-art performing arts centre. These plans align with our Strategic Plan to provide exceptional education, embrace growth, and strengthen ties to our community.

Q: What role has the Endeavour College Board played in this project?

A: The Endeavour College Board has been instrumental in guiding this project from its inception. Their strategic vision and leadership have ensured that the development aligns with the College's mission, values, and long-term goals. The Board's commitment to excellence has been a driving force behind this exciting initiative, helping to shape plans that meet the needs of our students, families, and the wider community.

Q: When will the new facilities be ready?

A: The timeline is still being finalised. Construction is expected to begin pending necessary approvals, with further updates on completion dates shared as plans progress.

Q: How will the expansion benefit the community?

A: The proposed performing arts centre is intended to serve as a hub for cultural events, performances, and church services, while the new primary school will provide additional educational opportunities for local families.

Q: How will you manage traffic and parking during construction?

A: We are committed to minimising disruptions with a comprehensive traffic and parking management plan to ensure smooth access throughout the project.

Q: Will the facilities be available for hire?

A: Details regarding the use of the performing arts centre and other facilities by external groups will be shared closer to the completion date.
